

[Send Swamped Message](#) [1]

The AskAway listserv will only accept messages from your authorized email address. Please enter your institutional email address (**the email that is subscribed to the service providers mailing list**), and click **Send!** to submit the Swamped message.

To cancel a Swamped message, click [Cancel Swamped](#) [2] and then click the **Send!** button.

If you are experiencing technical issues with this form, please contact the AskAway Administrative Centre at office@askaway.org [3].
